Exact Name Search: User must enter the FULL company name INCLUDING all space, punctuations and ending terms such as "Company", "Company Limited", "Limited", "有限公司", "無限公司", "公司" etc. Any omissions will lead to different search results. The search result will only display the current names of live companies which match exactly with the input characters.

Left Partial Search: User can enter any number of the initial characters of the company name. DO NOT ENTER ending terms such as "Company", "Company Limited", "Limited", "有限公司", "公司" etc. The search result will display all the current and old names of companies which contain the same initial characters regardless of the companies' active status and company type.

Remarks

1. Registration of a company name with the Companies Registry does not confer any trade mark rights or any other intellectual property rights in respect of the company name or any part thereof. You may search the trade mark records at the Online Search System of the Intellectual Property Department at <http://ipsearch.ipd.gov.hk/>.
2. A list of the companies which have failed to comply with the directions of the Registrar of Companies to change their company names is available at the Companies Registry's website at www.cr.gov.hk/en/statistics/docs/stat_name.pdf.
